## Some Useful information:

### *To present you must:*

- a) be a member of CSSPE
- b) be registered at Congress

*To become a member of CSSPE*, please fill out the membership form on the [CSSPE website](#) and send it to Kira Tomsons along with payment according to the membership fee schedule [on the website](#). You can send Kira a cheque, use an email transfer if you want to pay now, or you can pay the membership fee at Congress to the person who will be designated to collect fees/issue receipts. For snail mail requests, please send to:

Kira Tomsons  
Philosophy Department  
Douglas College  
PO Box 2503  
New Westminster, BC  
V3L 5B2

*To register for Congress*, go to the [Congress website](#). Note that you must pay two sets of fees:

1. the fees for registering for Congress
2. the fees for the association (different from the membership fees). If you are a regular member, the fee is \$35, if you are a student, the fee is \$20.

Simply follow the instructions on the website to register and be sure to pick up the registration package when you arrive at the central registration location.

### *Format for presentations:*

- a) For single papers, **you will have 40 minutes in total to present**. We usually encourage papers to be no more than 25 minutes as the discussion is usually quite lively and we like to stay on time.
- b) For panel presentations, the time for all panelists and discussion in total is an hour and a half, and it is encouraged that there be about half an hour for discussion, leaving an hour for the panelists to present.

We have booked A/V equipment so that people can use a data projector but if you are using devices that are not compatible with standard PC equipment (like Mac products) then you will be responsible for any adapters you may require in order to use the projectors. We have a wide variety of preferences for presenting, so some people do not use the projector and some do. There is no 'standard' in that respect.

**Don MacNiven Student Essay Prize:** Students are eligible for the Don MacNiven Student Essay Prize. A paper suitable for a 20 minute presentation must be submitted along with proof of student status by **April 1<sup>st</sup>, 2017**.

**AGM and Catering:** We have catered breaks all morning and in the first and last afternoons. We also cater lunch before the AGM on the second day. As a member, you are more than welcome to join us for the AGM and we welcome your participation. We also usually have really great food! We provide vegetarian options for lunch, but cannot guarantee vegan options, unfortunately.

**Child Care:** if you require child care during Congress, you can register online on the [Congress website](#). The deadline is May 12<sup>th</sup>, 2017.
